The Shameful Way Aruba Promotes Having a Nice Time!

For some reason the locals like to show off how much they drink by promoting how much drinks they consumed, by promoting all the empty bottles in plain view for you to know how high they are, then leaving it there for the world to see.

Nothing against you having a nice time, but please drink responsibly as you have to drive back home, and put your life or the life of others in danger.

All Schools To Open Officially Today June 8th.

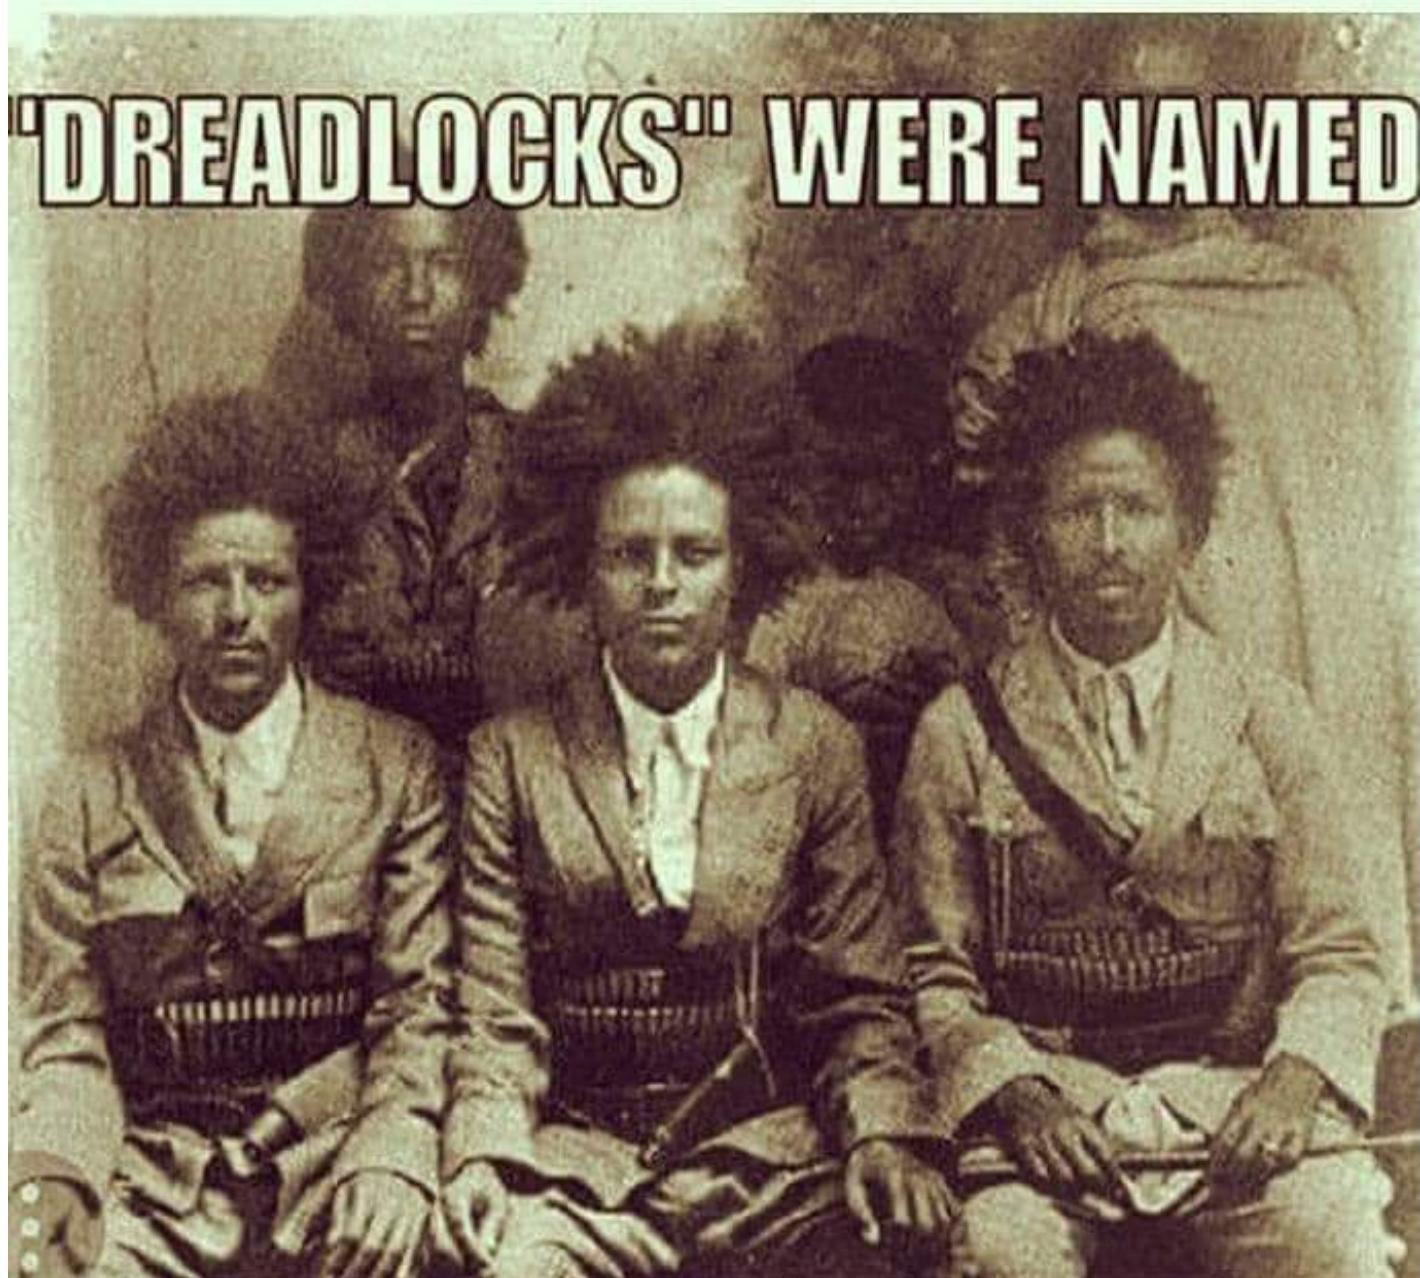

During the last press conference, the Prime Minister gave an update on the new school guidelines that were implemented for the safety of the teachers and the students. As of Monday June 8th, all pre-schools and elementary schools are allowed to open. The sad part of this is that some schools are skipping having a graduation due to different reasons, some are financially on the parents that have lost their job, and also some other reasons, it's just sad the kids will be missing that important part of walking on stage to get their diploma.

"The term "DREADLOCKS" comes from a movement of GUERRILLA WARRIORS who vowed not to cut their HAIR until HAILLE SELASSIE former EMPEROR of ETHIOPIA was released from EXILE for leading the RESISTANCE against an ITALIAN INVASION! These men who's hair became MATTED & LOCKED over time were FEARED & DREADED! Thus the term "DREADLOCKS" was born!! LOCS are not just about STYLE. For US & to THEM it was a STATEMENT!"

ALUMNONAN DI SAN NICOLAS" BECAUSE WE BLACK WE HAVE TO STAY IN THE BACK"

Cu asombro mi a tende un minister sinta bende nos scolnan publico cu fundashonan. Un minister cu no tin idea con famianan di San Nicolas ta lucha pa nos yuinan haya mesun oportunidad cu otro awor nan ta mas leuw cu nunca.

Imaginabo cu e scolnan publico di San Nicolas mester bai bou di un fundashon pasobra scolnan publico ta birando chikito. NO ta verdad. Un Abraham de Veer tin mas mucha cu John Wesley. Pero enbez di mantene e scol publico e ta pone nos Alumnonan bou di un scol mas chikito. Sabiendo cu nos muchanan ta perdiendo oportunidad. Corda cu e fundacionan tin nan religión y pa drenta e scolnan aki mester tawata tin e religión di e scol. Pero pa nan sigui existi nan a habri porta pa tur hende pasobra mester di alumno. AWOR ta bende nos muchanan na un fundacion cu tur e consecuencia pa nos muchanan.

Si nan no kier acepta bo na nan scol, bo no por protesta. Bo no tin caminda di bai. Bo mester subi bus mainta 6 or pa yega scol na Playa y despues yega cas pa 4 or of 5 or pasobra mester bin bek cu bus. Perdiendo oranan den transporte. Perdiendo extra placa pa transportación pasobra NADA no ta por nada.

Si esey no ta suficiente e unico HAVO na San Nicolas ta wordo poni bou di un fundación tambe. Ken a bisa cu si nos muchanan no tin e placa pa paga loke stichting Combina ta pidi??

Nan lo no tin ningún caminda pa bai. Nan mester bai MAVO. Imaginabo un mucha después di 6de klas mester bai HAVO pero e no por bai pasobra e no por paga e suma c unan ta pidi. Esaki ta kitando oportunidadnan di nos muchanan.

Unda justicia ta keda pa nos hobenan di menos recurso??? Ken ta bai para pa nan??? E scolnan Publico tey pa sirbi tur hende no un grupo cu si por paga e suma cu e fundación ta pidi. Ya caba na Colegio pariba tin mucha cu NO por paga e schoolgeld pero nan tin e inteligencia pa ta eynan si. Ken ta para pa e muchanan aki pa nan por haya un educación mereci?

Pakiko nos muchanan mester settle y bai na un scol bou di nan nivel??? Kiko ta para di e muchanan aki???

Pakiko pone nos scolnan publico bou di un fundacion si e fundacion no tin suficiente alumno. Sera e scol di e stichting y pone nos alum nonan na scolnan publico. Kiko ta hungando un rol akinan? E placa cu e stichting ta haya di gobierno pa mas alumno??? Ta esey ta e razón pesey mi ta bisa cu mayornan no tin nada di bisa na cua scol nan yui ta bai pasobra nan a wordo bendí. E placa di e mucha aki ta bai pa un fundación awor.. "Unbelievable" Mi no por kere kiko hende ta hasi pa tene ios yuinan abou.

" Because we Black WE have to stay in the back" Convence e mayornan y ami cu esaki NO ta verdad. Convencemi minister di educación pasobra mi kier sa con e minister aki lo hustifica esaki.

Esaki ta e inhusticia mas grandi. Ta castiga nos ta wordo castiga? Pakiko. Unda nos parlamentarionan di San Nicolas a keda pa defende nos muchanan? Pakiko nos muchanan mester lanta 5 or of 4 or di marduga pa yega scol?

Nan no tin derecho pa bai scol den bario? Esaki a bira un privilegio awor?

Minister bisa e matyornan unda nan ta haya placa pa paga transporte pa nos muchanan?
